How to Call an On-Demand Interpreter

QUICK START

1 Open app or portal
Get the InterpretManager app on the App Store or Google Play, or visit **sai.interpretmanager.com**.

2 Log in
Enter your email and password.

3 Select audio or video
Tap the **speaker** for voice only or the **camera** to see the interpreter.

4 Select language
Select the language and appointment type.

5 Tap the Call button
You will be connected to an interpreter.

InterpretManager client app

Download on the App Store

Get it on Google Play
